SYNOPSIS

In Blind Beasts Grope at Wounds, Rafael Godoy gives voice to characters living on the edges—of the city, the body, affection, and language. Driven by a strong oral quality, the collection brings together short stories that expose, with both raw intensity and lyricism, the struggles of those who live on the margins, where everyday violence intertwines with desire, longing, and hope. Suspended between sarcasm and pain, a visceral literature emerges, unsettling the reader to provoke thought.

ABOUT THE AUTHOR

Rafael Godoy was born in 1995 in the city of Recife. A historian and designer, he works as an art director at the PUYA! studio, of which he is a co-founder. In addition to writing, the author expresses himself graphically through poetic and humorous narratives, building his creative universe at the intersection of literature and design. Blind Beasts Grope at Wounds is his debut book.
