SYNOPSIS

The poems capture everyday moments, intimate reflections, and social critique. There are verses on love, death, loneliness, the city, and the search for meaning. The poetry moves between the personal and the universal, through expressive language and vivid imagery. The poems reveal the author's sensitivity toward the world, using language that can be at once colloquial and poetic.

ABOUT THE AUTHOR

Nancy Macedo is an actress, performer, poet, singer, and producer. She was born in the city of São Paulo, where she trained in Performing Arts, producing and participating in various shows. In the city of Rio de Janeiro, where she currently lives, she works with Performances and Interventions, as well as children's content (Literature and Shows). At present, she holds Dramatic Readings of the theatrical text "Mademoiselle Lázaro," written by her and currently in pre-production for staging.
