SYNOPSIS

How many versions can a single story have? How many of me can exist? With each choice, paths open and close in a rhythm that is sometimes steady, sometimes disjointed. The various marks left on others, and those that remained. The nameless main character makes room to be a bit of me, and a bit of you.

ABOUT THE AUTHOR

Amanda Gurgel was born in the mountainous region of Rio de Janeiro state in 1995 and currently lives in Rio de Janeiro. Accustomed to seeing things from above, as though flying over life, she turned writing into an ally in the daily exercise of experiencing the things of the ground, paraphrasing Manoel de Barros. Ensaio de mim is her first book, in which she seeks to translate part of this landing that has irreversibly transformed her into someone else.
