SYNOPSIS

If you discovered that a monster lives in your belly and is the cause of your anguish, what would you do? A Monster Lives in My Belly is an invitation, an opportunity to confront the most monstrous things inside our entrails, while offering the possibility of discovering that perhaps the monster isn't so terrifying after all. It is setting the table and inviting the monster for coffee; it is looking in the mirror, accepting every version of oneself, and finally managing to grant dignity to them all.

ABOUT THE AUTHOR

Edimara Arcanjo is 26 years old, from northeastern Brazil and a native of Sobral. An avid reader since childhood, she also developed a taste and habit for writing early on, nurturing a desire that has only grown since: to set her words free and let them take flight across the world. In addition, she holds a degree in psychology from the Universidade Federal do Ceará and is an artist, performing as an actress with Cia Permanente de Teatro 4 Portas Na Mesa, where she also works as a cultural producer. Furthermore, she sings in Coral Vozes de Sobral and is an enthusiast of art as a means of expression and healing.
