## SYNOPSIS

"The Book of Days" is a poetic work that explores the emotional rawness of a lyrical voice reflecting on themes of love, loss, and regret. Structured into five parts, the narrative traces an intimate journey of reflection on the most defining relationships of the author's life. Each part, anchored to a specific date, functions as a portal to memories and intense emotions. The poetic persona strips away who they once were beside these individuals, confronting who they have become because of them. The collection invites readers to reflect on their own relationships, their successes and, above all, their mistakes, finding resonance in the universality of human emotion.

## ABOUT THE AUTHOR

Leonardo Mendes, born in Manaus, is an emerging poet who found in writing a means of expression and connection with the world. "The Book of Days" represents the culmination of years of dedication to writing, revealing the sensitivity and power of Leonardo's poetic voice.
