SYNOPSIS

"All Days Are Sundays" is a poetry collection that explores the emotional journey of a sensitive and observant lyrical speaker. The book follows this voice through experiences of love, from overwhelming passion to the melancholy of a breakup, while also touching upon reflections on urban life and existential questions. Through language rich in imagery and musicality, the work invites the reader to immerse themselves in a universe of feelings, where the search for a new beginning becomes a guiding thread. The poems address the beauty and turmoil of love, the ache of longing, and the marks left by life's experiences. The collection presents itself as an invitation to reflection and sensitivity, without revealing specific details of events and outcomes.

ABOUT THE AUTHOR

Miguel Rosa was born in São Paulo in 2001, where he still lives. With a degree in Visual Arts from the Centro Universitário Belas Artes, he works as a producer. He maintains his artistic research, moving across various media such as drawing, collage, and painting, in addition to practicing both academic and literary writing. “All Days Are Sundays” is his first poetry collection, published by Editora Mondru.
