SYNOPSIS

This is a new version of The Little Prince. "Pequene PrinceBi" is the book we could have had 80 years ago if we had anticipated the literacy around race, class, and gender that exists today. Quite subtly, the book suggests a modern update aligned with contemporary social demands, without losing the essence of the original.

ABOUT THE AUTHOR

Antonio Isuperio is a Black, LGBT+ Brazilian architect based in NY. A human rights activist for 10 years, he is the son of a domestic worker and holds a degree in Architecture from Universidade Estadual de Goiás, along with an MBA in Retail from FGV-SP. He specializes in Retail Design and trend forecasting.
