SYNOPSIS

Me, a teacher. Me, an actor. Me, in my joy. Me, in my utopia. Me, in my pain. Me, in my change. Me, in my hope. Me, in my love.

ABOUT THE AUTHOR

I hold a degree in History from PUC-GO and in Performing Arts from UFG. I also hold a Master's degree in History from PUC-GO. Art has always inspired me since I was a child here in my hometown in the countryside, Inhumas. As a teacher in the state public school system for many years, I have always sought to engage with and stir up the cultural scene wherever I go. I was directed by and learned a great deal from Hugo Zorzetti, Edson Fernandes, Eduardo de Souza, Samuel Baldani, and Valéria Braga. Together with my friend Marcos Honda, I co-founded the theater group Grupo de Teatro Porão Cênico. A lasting, achievable dream. Enchanting! Saved by the power of artistic expression, especially theater, during various thorny moments, I made friends/actors/artists across these stages of life: Alessandra, Adriel, Rodrigo Cunha, Karine, Marcos Roberto, Wilker, Delminha, Vanda, Elizamar, Márcia, Dr. Danilo, Patrícia, Joelma, Valéria Braga, Silvia, and so many others! I love them all! This account I share in the book is merely a breath of a few moments lived and overcome! I have many others; those I will recount to the wind or on other occasions. I hope to contribute something to whoever reads it.
