SYNOPSIS

Noises of Communic(action) is born from the unbridled rush of everyday life, where hours are short and art emerges through the cracks of survival.

Here, the poems arose from movement! Amidst the clamor of the bus, where we can barely hear ourselves. In the few daily breaks, where we leave things unsaid. From one place to another, the noises persist: of heartbreaks, desires, pains, and the yearnings of being a Black, fluid woman. I poured it all into a notepad. And I am opening it up to you, in this book.
