SYNOPSIS

Waiting Room is a powerful, real-life account of someone accompanying a patient diagnosed with cancer who must travel to another city for radiotherapy. Filled with the stories of others undergoing treatment, the book addresses the experience of staying in a SUS support home, the pain and questions, the inner conflicts, the discoveries, and reflections on life pulsing through it all—from the perspective of the caregiver, rather than the patient.

ABOUT THE AUTHOR

Irene Prado is a writer, illustrator, educator, and educational psychologist, with a specialization in Arts Pedagogy from UFSB – Universidade Federal do Sul da Bahia. A mother of four and grandmother of six, she lives in Arraial D'Ajuda, Porto Seguro/BA. She has published ten books, for both adult and children's audiences.
