SYNOPSIS

"Trajectory of a Dive" is a short story collection told through the perspective of female characters dealing with reflections and emotions brought on by isolation, illness, bodily limitations, the loss of freedom, the questioning of faith, and other events common to the human experience. These are texts written from the inside out—a deep plunge into the subjectivity of existence and the anguish of never finding simple answers to the questions that pierce the body every day.

ABOUT THE AUTHOR

Viviane de Freitas is someone who writes to survive. Holding a master's degree in Cultural Outreach from Unicamp, she specialized in literature and literary criticism at PUC-SP. She is the author of the books Poesia de Geladeira (Moinhos, 2017), Ainda Sem Respirar (Fábrica de Cânones, 2022), and Cartas do Velho Príncipe (Via Lúdica, 2024). Since 2016, she has traveled throughout Brazil telling stories as a translator of love at @escrevaumacartapramim.
