SYNOPSIS

"To See the Sea Again" is a book about redemptions. The work's title illustrates and suggests its commitment: a look into the immensity of the human being itself, drawn from this hypnotic literary image, with all its waves and restlessness. It is the second chance, the fresh stroke of the oar, the path opening like two comforting arms. In other words, a deep dive into the innermost depths of wounded, lonely, and incomplete characters. All guided by a voice, questionable to say the least, that redefines the awe and terror of life through poetry and its scars. A father who turns the noblest feeling into his greatest disgrace. An elderly woman who relishes her silent revenge for an entire lifetime. A young woman who searches a fruitless tree for the root of all her guilt. A child who crosses the threshold of a secret and can never return. Twenty stories, diverse conflicts, endless secrets, and only one compass: to see the sea again.

ABOUT THE AUTHOR

Born in Inhumas, in the interior of Goiás. He is a writer and advertising professional. His writing has earned numerous awards, including the Coleção Belamor from the Universidade Federal de Goiás, the Concurso Literário Mário Quintana, the Prêmio Sesi Arte e Criatividade, and the Bolsa de Publicações Hugo de Carvalho Ramos. He is the author of "Mar Escrito" (short stories) and "Caminhárias" (poetry). "To See the Sea Again" is his third published book and his debut with Mondru Editora.
